

Rule of Six price reductions

As we all know, at the moment, under current Covid-19 restrictions, when the various lockdowns finish, there are limits to the number of people who are allowed to stay under the same roof together. There are variations on this rule according to which part of the UK you live in, whether children are included in the 6 or are in addition to that number.

As our main house can normally accommodate up to 17 people, and the price reflects this, we are now prepared to offer the house to smaller groups at a reduced rate, by only making 4 of the 6 bedrooms available to guests. At the moment these prices are on offer up to the end of March.

We ask that all guests act in line with current relevant government guidelines.
