

Dogs at Pentre Bach

We love dogs!

- We welcome up to 2 dogs per cottage
- There is a charge of £20 per dog
- Please clean up after your dog
- Please bring a blanket or throw for your dog if you allow them on furniture
- Dogs are allowed to run around off the lead as long as you have them under control

But be aware

- Whilst we don't have any sheep ourselves or on our land, we're in Wales, there are sheep everywhere!
- We have a very friendly large dog. Pretty much everyone loves her but we appreciate there will be exceptions. She's more interested in owners than other dogs. If you warn us your dog is nervous with other/large dogs, we will try & make sure she stays away, but she lives here & will be around.
- The other cottage may have a dog/dogs too.

We can't guarantee 100% secure BUT

- The courtyard garden (black section top right) is fully enclosed & secure to approx head height. The Y Popty entrance opens into this garden, BUT guests in Y Llaethdy will cross it to get to & from their cottage.
- The Y Llaethdy entrance (bright blue dash) opens into the gardens & it's approx. 10/20m to the gate to the enclosed field. The gates for this are approx hip height. Our dog can leap these, only you know your dog's abilities.
- The drive is approx 1/4km long so it's a good distance to the road

Both the local beach & local pub are dog friendly year round!

See you at Pentre Bach
